The Lady:

Elle is slim, pretty, youthful and cute. She has pierced nipples and a few tattoos. Lovely, soft voice. A bit of an English rose. The kind of girl I'd have liked to get off with in my youth when I lacked the confidence, social wherewithal and chat up techniques to do so! Nice to be making up for that now.

The Story:

I'd tried to book Elle for an hour but 30 minutes was all that was available by the time I contacted HOD. Lucky to get that I think. Anyhow, it meant the whole encounter was like a compressed version of my usual routine. A bit of dfk, Elle feeling my stiffening member through my trousers before disrobing me then peeling off her tight, black number to reveal her gorgeous body. Sucking my cock sweetly in front of the mirror, onto the bed for me to tongue her clit, sex in mish, my right arm round her shoulders while my left hand reached down to that sweet, wet pussy and rubbed those juices up and around her cute bumhole. A bit of end of the bed doggie then more owo. What I loved about Elle was the slight submissiveness and her willing compliance. I'm often a bit loathe to give girls instruction about the techniques I like, that get me off, but with Elle, no such reticence. She did exactly as I asked with hand, mouth and tongue, resulting in a delicious cim. She let some spunk dribble down my cock while taking most in her mouth which, she'd told me, is her favourite finish. A compressed chat, mostly about the girls who've been longest at HOD, a very quick wash up and then me pulling my clothes on fast in order to be out on time, which I was. A lovely, quick erotic encounter and next time I will try to get the full hour. She's a girl well worth spending at least that amount of time with!
