The Lady:

Isabella, what can I say? She is absolutely drop dead gorgeous!

With the most amazing 36DD breasts she is easily a size 8, if not smaller!

She is perfection! And she has a wonderful personality, and is great to chat to!

The Story:

I had wanted to see Isabella for absolutely ages, then she was the advent girl! So I tried calling first thing in the morning and all the phone lines were busy! I tried throughout the day and eventually got through at 3pm, I thought I'd ask, but there would be no way she was free. To my surprise she had a slot at 5:15pm. So off I went!

I was greeted by the maid and shown into a decent sized bedroom, shortly after Isabella walked in in a mesh body stocking and a little dressing gown! She looked amazing, we kissed and sorted out the paperwork. I was already feeling her amazing breasts, she asked me why I wasn't undressed yet? I didn't need to be told twice! I stood there in front of her amazed at her incredibly sexy body. She grabbed my cock and started to play with it, while I continued to play with her amazing breasts. She then pushed me back onto the bed and climbed on top and started to spit on my cock whilst playing with it and rubbing it between her amazing tits. She then climbed on top of my cock and started to ride me whilst I played with her tits it was an amazing sight to see her riding my rock hard cock. Her pussy is so tight it's absolutely amazing feeling her ride me as she did. She didn't say that we should switch to doggy which I did gladly and started pumping her for all I was worth. The sides of her amazing breasts swaying as I pump her from behind in the mirror was a sight to behold and something that will stay with me for a very very long time. We then switch to missionary position, where I was able to thrust into her feel her breasts with my hand and kiss her whilst enjoying everything about her, she was making all the right noises and seem to be really enjoying herself after I climbed off she got me to lay back down on the bed where I had a lot more spit on my cock and she won't send me off to completion. My cum in her face after it shot out! We then sat on the bed together kissed and cuddled and chatted as if we were lovers. Isabella is an absolute joy to be with she's not amazing and passionate lover with a great sense of humour and very good

conversation, if she ever decides that she wants to give up and settle down I would happily, happily look after her for the rest of her life. She really is a gem and I look forward to seeing her again soon.
