The Premises:

Have visited this parlour before & had the same top floor room. Good location with relatively easy parking. Clean, comfortable & nice size room.

The Lady:

Slim lady with a good figure & well spoken. Wasn't actually what I'd expected Pixi to be like for some reason, but a lovely lady none the less.

The Story:

Pixi arrived bang on time & help me dry off after my shower. Great kisser, which started the ball rolling so to speak. I'm not one to go into detailed description but can just say she's an expert at her profession.
