The Story:

This was my 4th visit to see Jan. She has swallowed my cum every time and today was to be no different. Arrived at her place. Cuddle inside door then upstairs to room. Jan removed her clothes. I started to remove mine by which time my cock was hard. Jan kneeled down and yet again she told me she wanted to swallow my spunk. She continued to suck my cock and balls for a little while until I eventually shot my cum into her mouth which she swallowed. Had a rest and a chat before Jan continued sucking my cock until I came in her mouth again. She swallowed my cum yet again. Another rest before round 3 and after a little while she swallowed more of my cum. I jokingly said to her I had no more spunk for her to swallow so after a little rest I left. Jan is great company. Her blowjob is superb. Can't wait to see her again
