The Premises:

Nice flat near the Bayswater tube station. Overall clean and nice large shower with all the essentials. I showered before and after the punt.

The Lady:

Overall I found her quite attractive, she has a nice body and a pretty face. She was welcoming at the beginning, she did not try to kiss me so i did not try either, overall she was fine, calm and pleasant.

The Story:

After a short shower where she did not offer to join, I joined her in her bedroom for some light touching. She went to her knees very quickly and gave me a good deep OWO. She was quite good at it, and her face is quite pretty. I really enjoyed watching her suck my cock. I had punted the 3 previous days, so was able to last quite some time. I spent some time feeling her body overall and kissing and sucking her nicely shaped breasts. Overall she is quite attractive, not fat at all but not as skinny as other Thai girls I have reviewed. She was intent to make me cum, I asked her if I could cum on her face she said no, I decided at the moment to cum all over her tits. She laughed. I believe CIM was on the table.

We then rested a few minutes, and she gave me a quite long and good massage to get ready for round 2. This time a lot of OWO while I was laying on the bed, followed by missionary. I got her in doggy and the view of her ass is very nice, went for a long time in doggy before cumming.

Some light pleasantries, a second shower, and a bottle of cold water. Would repeat.
