The Premises:

Flat in the center of Bayswater near some restaurants. She seemed to live alone, we used her couch, bathroom and eventually bedroom

The Lady:

Anna is a bit of an older Thai lady with a voluptuous and full body, she is not as small as some other Thai women, but very firm to the touch with large breasts. Overall, she resembles her photos quite closely on Olina's website.

The Story:

Pure attention, energy, and enthusiasm the entire visit she is special.

The punt started in the shower where she joins you and is very sensual, even getting on her knees and providing OWO in the shower, I had to hold back cumming.

In the bedroom we did lots of DFK, OWO and ball sucking. This was my first punt of the trip and she made me cum very quickly once we got in her bedroom.

After a short rest she did oil massage, I fucked her mouth, breasts, ass, and pussy. I did not find her as attractive as the other Olina girls, but her service and her commitment to making sure you are well taken care of were the top. Would see her again.
