### The Premises:

About a 10-minute walk from Edgware Road tube station. It's an ugly apartment block, but her flat is clean and good sized. She shares with another girl from Olina - I saw Malee there on my first visit in May.

### The Lady:

She is very petite with zero body fat, and wonderful curves. She is very close to exactly the perfect Thai body. She has a great small ass and large fake breasts. I found her quite attractive from the minute I arrived.

### The Story:

Holly has an amazing body and knows how to use it. After a quick shower where she offered to join and helped wash me down, we went to her bedroom.

It was non-stop action from minute one - she was almost insane the way she went after my cock, devouring it with a full deep throat OWO. I tried to delay by pausing to caress her wonderful breasts, but soon she was back on my cock and I quickly CIM where she stayed a long time and took every drop.

After a short rest, round two was highlighted by her giving me a wonderful bj to get me hard, then her on top, then as hard of a pounding as I can give in doggy. I don't think A-level is on the table, I did not mind, her pussy was amazing.

Would definitely repeat.
