Petite brunette who's smile will lure you in & if anything like my visit will be the start of a great time.

The Story:

I was greeted at the door by Scarlett wearing black lingerie. I was asked who I was meeting, having not met her before I said Scarlett. With a laugh & a big smile she said that's me. I was shown to the back bedroom, then headed off for a shower. Once the paperwork was sorted & a quick chat about what I'd like Scarlett started kissing me. I picked her up & laid her on the bed & went down on her. Her movement, moans & holding my head tight in place only made me feel better. After a few minutes, we moved around into a 69, where I felt a finger gently rubbing against my arse. We got up & stood by the mirror & kissed some more, before Scarlett sunk to her knees & took me in her mouth again. Scarlett tried to keep eye contact, either looking straight at me or via the mirror. She has a good technique & while looking at me, I shot my load into her mouth. We'd already discussed about snowballing, so up jumps Scarlett & grabs me for another kiss, while slipping my cum back into my mouth. Once it was all in my mouth I stood back, & with a big smile swallowed the lot. After a nice massage, it was on to round two. With more oral both ways I covered up & Scarlett started to ride me both cowgirl & reverse cowgirl before moving onto doggy & finishing with missionary where I finished on her body & again gleefully licked my cum off of her. I can't wait to meet her again as I thoroughly enjoyed my time with Scarlett. For me, she's the same as Bunny, an hour isn't long enough.
