The Premises:

As always, locations are easy to find, comfortable and very spick and span. The staff are great all round.

The Lady:

Eden is around 5ft4in, slim with a sumptuous body and great boobs, not too large and in complete proportion to her body shape. She is Polish with impeccable English and has a very engaging personality, lots of smiles and a genuine "people positive" manner. Hygiene is perfect and I would put her age as late thirties.

The Story:

As we had a long booking, started by chatting and getting to know each other. That didn't last long as Eden began to remove her clothes, as I did and we kissed and cuddled. She is enthusiastic with everything we tried although does not do anal, which doesn't bother me. The rest I am going to leave to your imagination; for besides anal, Eden offers everything in a such willing fashion. She succumbed to the most wonderful organism as I thoroughly worked her pussy with my lips and I thought everyone in MK must have heard her groans! Special and quite delightful. I will be seeing much more of her. Thank you Eden.
