The Premises:

Nice clean establishment with plenty of free parking

Enough mirrors and a double bed that does not squeek

The Lady:

Camilla is tall Polish lady and has a full body perfectly toned age mid 30s very good English

She is a MILF and a very fit one

Pictures are accurate and she obviously showered before the meeting

She also has a razor sharpe mind and can talk on any subject I brought up

She likes to make a mental connection and really enjoys her work

The Story:

I was torn between asking for a dom session or a GFE and Camilla said you can have both

She told me to strip and get on the bed

She started giving me a blow job and gently squeezing my balls She licked so low down my balls it was centimeters from been rimmed she actually took one ball in to her mouth closed the teeth and gave it a tug before moving back to deep throat me

I was now desperate to eat her pussy and she said slow down take it easy and then gave me a tit wank before I got to kiss and suckle on those lovely large real tits I moved down to her beautiful pussy and decided to tease her by kissing her thighs and letting my tongue move around her pussy lips which seamed to really turn her on then I started liking and sucking her inner lips she was now very wet and saying she wanted my cock in her I said not yet and fucked her with my tongue while rubbing her clit with my nose till she came hard

This was not faked as she held my head away as she quivered and composed herself

On with the condom and she Rode me cowgirl so I could see her great tits and suck on them

She then bent forward on me started passionately kissing me and said hold me tight and fuck me hard then saying fuck me harder and she came again her muscles squeezed my dock so had

She then asked me to fucker doggy and don't hold back

This was an amazing GFE with a very very fiesti woman

She noticed I was still hard so wiped of the condom to give me owo and found my most sensitive spot and worked till I literal burst into a long orgasm is the only way I can describe it

We kissed cuddled and talked before I left as she wanted to shower before her next client I liked

that as it shows she respects the people she meets
For me she is no longer a MILF but MIHF and will do again ticked All my boxes and a few more
I will be back after Christmas as there is so much more of Camilla to still experience
(Radio call sign over and out)
