The Story:

Meet at the door by the maid then upstairs to see foxy who i have seen before she is so great looking fantastic got shown to the room. asked for an orange juice and i used the shower which is on the same level other girls getting ready bathroom is small shower in the bath clean and good temperature while i was getting ready foxy was being filmed for a short clip for the web page which i found as a little reminder when i got home i put the fee on the side .She was wearing a red hole dress very short quite see through red stockings and black high heels. Very sexy great big hug DFK and wanted to know how i was not that i could say much she took my breath away.Big hug i had stripped off ready and could feel her warm sexy body hard up against me rapped right round .Then the best oral without then on with the hat with her mouth very sexy then slow intermite sexy in lots of postions with her at times bouncing up and down for all she was worth. she wanted to make me last not rush to the finish her smile was as large as mine, lovely firm warm body mostie and tight i went down on foxy she tasted sweet and sexy ,she sucked me again which was a turn on knowing it tasted of her sweet body then doggy to finish .i asked for a back and shoulder massage which she did most proficiently firm and warm. We hugged and chatted, Foxy want me to go again i feel so content and released i just wanted to lay rapped round each other kissing such warmth .When the time was up she walked me to the door (they always make sure you do not bump into other punters)and a kiss at the doorFoxy is fantastic
