The Premises:

Holly's flat is just off Edgware Road north from the station by a few hundred yards, and parking needs patience so whatever the mode of transport, allow plenty of time. Once there, it is necessary to call the agency to get admission through a security gate, then its just a very short walk to the flat entrance. Don't worry it is worth the hassle - the flat is immaculate, over bath shower has consistent hot water, and Holly will be there to provide her personal attention throughout!

The Lady:

Holly is very petite with perfect enhanced breasts, a delicious pussy, and lovely friendly personality - perfection? Well, yes, in my eyes! Probably late 20's but looks younger, photos are a reasonable likeness, but you will most definitely not be disappointed. She does not like to rush things so a slightly longer booking will be well rewarded.

The Story:

Holly is a good kisser, and is very accommodating with a variety of erotic massage skills, great owo, but does not appreciate finger penetration, I think probably from a hygiene perspective, and no full on rimming, all perfectly understandable. Just go with her flow, and she will take you to heaven...
