The Premises:

Usual apartment in the Hub, Milton Keynes, plenty of cheap parking nearby. Only one lift working, so if that failed it would be a fair walk up around 7 floors!

I was running late and maid was more than ok in moving the booking to 30 minutes later.

The Lady:

Photos are accurate, always prefer to rely more on Twitter, than the website as they are less photoshopped.

Polish Milf, I'd say age about correct 37-42 approx, size 6-8, great enhanced boobs and fantastic nipples, very kissable lips top and bottom! Impeccable hygiene, which is so important to me.

The Story:

Arrived on time, let in by Eden, I had seen her before at MKE about a year ago, she remembered me, which was a nice touch, or whether that's just a good marketing policy they have from looking up your visit history, who knows, whatever it is is a good start anyway.

Eden was wearing a sexy white bra and panties, with matching stockings and high heels, very sexy and hot. Handed over the tokens and was counted out on the bed (not great, I like it when they check at the end, as at the start it is more of a business transaction, rather than the GFE and a little off putting etc I'm my opinion).

Asked if I wanted a drink, only water or tea on offer, would be nice to have more of a choice, juices etc. took her over 10 minutes to get the water, as it was a 2hr booking I wasn't too worried, but would be if it were only 30 minutes.

Started off with standing LFK, and touching each other and she slowly started removing my clothes whilst continuing to LFK, with plenty of teasing around my crotch area, then before I knew it she had my rock hard cock in her hands and my trousers and pants around my ankles. I removed her bra and got her to lay down on the bed face down and slowly kissed her back, neck and ears, this was

the formula that set the mood and what was going to be an amazing experience as it translated to her that her pleasure was equally as important as my own. Hence the 2hr booking as I had remembered she requires special attention and a slow building process to bring her to an orgasm that makes just about every muscle in her body shake and twitch, it's definitely worth the effort as from that point onward she took over and it was time to repay me for my effort.

What proceeded was lots of eye contact, continued kissing, that was now more DFK, than LFK, plenty of ball licking and sucking, not DT, but lots of spit and suction along with lots of dirty talking all the time, absolute heaven!! This then proceeded into fucking, in missionary, doggy, scissors etc and she continued to talk dirty asking me to fuck her hard, which I happily obliged, would not want to disappoint her after all.

Then I was nearing ready to shoot my load, don't like shooting it in the bag, so withdrew and removed the bag and she then went to town on my cock teasing and giving it a sloppy blow job until I couldn't hold back and finally shot my load, squirting over her face, in her mouth and over my belly, it seemed like I couldn't stop, definitely a big load due to the 2hr build up!

Eden then said I want to shower with you, so she got the shower ready and we jumped in and she soaped me down, again grabbing at my cock and commenting that I'd got hard again and kept giving it a tug whist soaping me down.

CONCLUSION: if you want a true MILF, who loves kissing and giving great head with lots of ball attention then Eden is definitely a strong recommendation, will I return? fuck yes! But next time I'd like to try a bit of role play as I can imagine she'll be bloody good at that too!

Thank Eden and look forward to our next meeting x
