### The Premises:

The familiar location a ten minute walk from Victoria, this time the flat on the first floor. A well-organised venue with good shower facilities. The room was clean and comfortable.

### The Lady:

Elle is a slim pretty girl in her twenties, with long hair and a lovely figure. She is English, a good conversationalist, and with a warm and friendly nature. She looks very similar to her profile photos.

### The Story:

Elle was immediately affectionate and welcoming, greeting me with lovely genuine kisses and hugs. Despite our obvious age difference I felt entirely at ease with her. We then moved on to the main course, with an utterly enjoyable session of mutual oral, sex in various positions, and finishing by way of hand and mouth.

I really liked Elle, and will definitely make a return visit soon.
