### The Premises:

Apartment in Central Milton Keynes with parking close by at Sainsburys

### The Lady:

Bunny is very much a pocket rocket @ no more than 5ft with a golden tan and strikingly red hair.

### The Story:

I knocked on the door and was blown away by Jess who answered (made a mental note to see her in the future).

I waited in the room for a couple of minutes and heard the heels come closer as Bunny walked in the door. We were quickly into DFK and Bunny uses a good amount of tongue.

I picked her up and lay her down next to me with plenty more DFK. My fingers wandered as did her hands and not before long I was hard. She hopped to end of the bed to give me some OWO (Bunny does not do CIM gents). It wasn't long before Bunny carefully put the rubber on me and started riding me in cowgirl which was lovely.

I suggested we swapped positions and got on top with her legs over my shoulders. This was great then but I needed to experience cowgirl again. Back she went on top grinding and gyrating like a pro before I couldn't take much more and exploded in the bag.
