### The Premises:

Easy to find in Fenny Stratford

### The Lady:

Very pretty, slim, blond, and lovely smile!

### The Story:

It was her first day, and it really did not show! Very confident.

Started with some nice kissing then OW, then back to kissing, then cow girl, then she spanked me, and back to cow girl!

I smiled all way through.

She has a lovely personality, and will be very popular!

Told her she was the prettiest girl I had ever been with, and look back I think I was telling the truth.

We ended with me giving her a light massage. She has great skin too!

Would definitely recommend.
