The Premises:

A very small 1st floor bedroom in a service road behind a parade of shops in the High Street. It was about a 5 to 10 minute walk from Welling station.

The Lady:

The profile pictures are very accurate. A lovely Thai girl with voluptuous breasts. She was friendly throughout the session.

The Story:

I was nearby so I decided to give this location another try. I enjoyed this session very much largely because Jassy was very friendly. I was very keen to get my hand on her pendulous breasts. They were natural, lovely and soft. I then received some lovely uncovered oral while still standing. It really was good and it was a shame when the condom was put on and we proceeded to sex. This began with Jassy on top and following that we switched to doggy. I tried hard to get over the line, but couldn't quite make it so with Jassy's permission I removed the condom and stroked myself off over her breasts.
