The Premises:

Usual MN premises, tucked away on high street. Plenty of parking surrounding.

The Lady:

Adele is a busty red-headed northern girl, with lots of tattoos and piercings (nipples, tongue & clit) reminded me of a British Anna Bell Peaks! Pics on website are pretty accurate aside from hair now being red. Very chatty and down to earth but has an absolutely filthy side!

The Story:

I can only start by saying wow.. what a woman! Adele bounced in on time and sorted out paperwork. She asked for all my preferences from kissing to oral, then didn't hang about in removing her sexy laced outfit. She offered a massage, but after seeing them pierced tits, I couldn't delay a second!

Started with some good dfk, lots of tongue and wondering hands. My hands quickly started exploring them amazing tits and slid inside for some standing fingering. By this point I was stood to attention and Adele asked me to go on the bed as she wanted my cock in her mouth! This was an OWO like no other.. she took my cock right to the back of her throat, lots of gagging, spitting and ball sucking. She truly is a master! Also had a great sesh with a tit wank between them fantastic E-cups!

After 5 mins I wanted to return the favour with some RO. Nice clean shaven & sweet tasting pussy, making all the right noises as I licked and fingered. The thought of her sucking hadn't left my mind, so moved into 69 which she was happy to do.

Onto the main event.. put the raincoat on and got her to start on top. She rode me like a champion jockey, lots of energy and enthusiasm! Moved onto doggy (facing the mirror to get the best of all views!)

Onto Mish and was really happy to take a hammering.

I felt ready to unload so asked to CIM which she agreed... Then disaster hit, I started to lose my

hard-on (no fault of hers, I had overheated myself from the pounding) Adele then showed why she is truly amazing.. she did everything she could as the time drew to an end.. she worked like a champion and eventually got me solid again from her amazing skills.. I shot a huge load into her waiting mouth as we hit the 30mins and I felt like she'd completely drained my balls! Offered a quick shower, even though it was after time. An amazing time spent with someone who is very good at what they do! Would definitely recommend and will certainly be revisiting this Goddess!
