The Premises:

Nice flat in one of the blocks in the Hub opposite Sainsbury's, where free parking is available. Lots of paid parking around in the area.

The Lady:

A beautiful small blonde, shoulder length hair, small breasts with very responsive nipples and a neat little tight pussy. I know it is said a lot, but she really is much better in the flesh than her photos. She is from Ukraine and has a sexy accent and particularly good English.

The Story:

Buzzed in and made my way to the flat. Knocked on the door, which was opened by an amazing blonde vision in a towel (I was a bit early). Shown to the room and after a quick kiss offered a shower. Came out the shower to find that Katrina had dressed in a short, tight little black dress, very sexy.

Not going to go into too much detail, but what followed was an amazing time with a very sexy lady. There was kissing, touching and oral both ways. Katrina enjoyed all the activities (or she is an Oscar winning actor). She will talk you through what buttons to press and if you listen and act on what you are told you are in for a fantastic time.

Katrina is only on a short visit to the UK, which she does three or four times a year. The current visit ends early in January. If you want to visit her you need to be quick, if you do see her treat her well as she is a real diamond.

Will I see her again hell yeah. Already planning my next visit before she leaves.
