### The Premises:

Slightly awkward to find, but plenty of parking and easy enough if you phone on arrival as they request.

### The Lady:

Stunning! Genuinely one of the most attractive ladies I've seen in my life! Pictures are wholly accurate, and her face is very pretty.

### The Story:

I've seen Hazel several times over her 2 years working, with me giving her "free reign" on heavy domination meets on the most recent visits. I have essentially booked in and given her a very short list of hard limits, a short list of what sorts of things I AM into, and told her to fully take the lead. I find these kinds of meets more engaging as they feel more organic and natural.

With that in mind - my god is she skilled at domination. Creative, cruel, and a wide range. She has ranged from verbal domination, fin dom play, parading me through the parlour to the other workers and having me literally begging for mercy. All perfectly within the guidelines requested. As I have requested heavy dom sessions, I've also made it clear she is free to deny my release, ruin it, or anything else. She has ranged from making me cum as faast as possible for maximum humiliation when she doms me for the rest of the session, to making me beg on my hands and knees for a release only to be denied.

Occasionally I will try elsewhere, or when she isn't available, but every time it just reminds me she is the best around!

Stunning lady, incredible domination skills, and definitely someone I will continue to see in the future!
