The Lady:

A beautiful, stunning Italian woman. Scarlet has a body to die for and in particular the most fantastic bum. Her eyes are absolutely captivating and her personality just wants you to keep going back, time and time again.

The Story:

Scarlet is, without doubt, the best punt at Ego. She is stunningly beautiful and knows how to reach the right spots. I practise various, kinky habits elsewhere involving exhibitionism, light BDSM and mutual group masturbation and Scarlet appears really interested when we talk about them. The view when Scarlet kneels on top of the table, reverse-style, is simply eye watering and when she looks straight into your eyes when you cum makes for a superb climax. No doubt Scarlet is in high demand both professionally and in her private life; I'm just delighted to share an occasional brief time with this beautiful lady.
