The Premises:

Tara is currently using a domestic location in Canning Town (20 minutes tube and walk from Waterloo)

It was perfect for our session with a bench and wide range of implements in a living room and an ensuite bedroom for the more services.

The Lady:

Tara's Punternet profile and her website both show accurate photos and other details. Tara is highly attractive with curves in all the right places.

She also has a wonderfully positive and caring personality.

The Story:

Meeting Tara exceeded my expectations in several different ways.

Most importantly Tara received as strong discipline as I wanted to offer with hand, paddles, flogger and cane. She also perfectly handled a detailed role play that I had suggested.

We then retired to the bedroom where Tara was equally talented and generous with kissing, oral, reverse oral and sex.

It is very rare to find someone who is so skilled and engaged as Tara with both discipline and personal service.

A further added bonus is the quality of Tara's communication by phone and text. We discussed my requirements in detail in advance of the meeting and when my train was substantially delayed Tara responded quickly and sympathetically to my messages.

Tara has to pay a small deposit for the use of the apartment. I have not previously done this but found it very easy to do quickly and confidentially. I was much more confident doing this having talked to Tara on the phone and see her other positive Punternet reviews.

Overall, this was an exceptional experience and I cannot wait to return early in 2023.
