The Lady:

Size 10 - 12 Rubenesque Filipino lady. Full breasts beautiful face. Super friendly and encouraging.

The Story:

Finally got a chance to see Apple. At over 70 reviews there's scarcely a need for another review but it'll be my aid memoire. So I travel by bike and up to to the first floor she's just wearing a towel. I was surprized expecting a size 6 - 8 Chinese lady pale skin but she more 10 - 12 darker Filipino more Rubenesque than I was expecting. She is gorgeous and more my type though I was interested to see how a slimmer lady would be. I guess I didn't read all the reviews. Anyway I stripped off and she dropped the towel and took me to heaven standing together, flicking her tongue in my mouth and stroking my cock. No rush it was beautiful holding me in a trance. She dipped her head and rimmed my nipples and I sucked on her lovely breasts. I then put on her all fours at the edge of the bed then buried my face in her ass licking her clit and pressing my large schnoz up to her ass hole. So nice to lick her pussy and lightly run my fingers over her legs breasts and ass. I got the impression I was going to make her cum so kept at it and was rewarded with her reaching back and forcing my face deeper. I think she came or a very good facsimile of it. Then I needed to feel and she her suck my cock. I asked her onto her back which she a little reluctant at first, gotta trust the guys not going to face fuck her like in the movies. She did lie back and I got a super suck job making sure I pulled the mirror across so I could ger a good look and burn that awesomeness into my brain. Then the sex missionary. She put on the condom with her mouth and I could look onto that beautiful face. I did my usual thing at first lying completely flat on the girl cupping her ass and head down by her head. She gave an exhalation at the weight of me - I'm not heavy 65kg which I took to mean she liked it. Then during the sex she emoted so beautifully that she was cumming and blown away by the hardness and size of my cock. I looked into her eyes and told her I was cumming and did in a shattering orgasm. My small talk isn't the best and not very effective that day and I think she was keen to get on although there were 10 mins left but if you are a superstar (as I

told her) then there's got to be demand. I would go back to see her and try and more porn style than gf style if I have the chance.
