### The Premises:

Usually place - good parking and had the middle floor room which is probably the best one

### The Lady:

The pictures really don't flatter Asia, she's one of the few that look better in person. Really good body and a stunning smile - also has a great personality

### The Story:

Asia was great, chatty and friendly initially, was up for everything I requested. Great owo with lots of eye contact. Really engaging throughout. Her body is amazing. MKE has some really great girls at the moment and Asia is up there with any of them. She also allowed me to finish in her mouth and apologised for spilling some.

I would highly recommend seeing her if you get the chance
