### The Premises:

Usual coach house next to the car park.

### The Lady:

Eve is way, way better than the photos on the Ego website. Great looking brunette with a fantastic rack. You can tell she looks after herself.

### The Story:

This was a great session. I was expecting a relaxed, soft soothing massage with a run of the mill handjob to finish me off. But Eve was having none of this! She is very raunchy and energetic and gave me a whale of a time! Body to body with this young lady was brilliant and in many ways was more enjoyable than a full service provider.

Eve then finished me, sat on my torso while her oily hands tugged my cock all the way to heaven. All the while I was running my hands over her body and groping those perfect boobs of hers.

Eve is really friendly and chatty and I really enjoyed my time with her. This was actually my first visit to Ego that day. I would be returning in the afternoon to see Yasmin.
