The Story:

First time seeing Kat but not with the agency. Kat is a very attractive lady with an amazing body and what look and feel larger than the C breasts advertised, i would say they are a D cup and a real nice handful. Once the paperwork was sorted we undressed and slowly kissed and i explored her amazing body. Very responsive to touch and her nipples were very pert and attentive. I was slow and gentle as i could tell this was what she liked from the reactions i got. after exploring her tits and body i moved down to her pussy where i spent a great deal of time, i would probably go as far as to say i prefer giving oral to a women more than fucking them as i want to make them cum as well, its a 2 way street and we are both there to enjoy ourselves. I spent 10 minutes gowning down on her before making her cum and it tasted wonderful. we then swapped and Kat sucked on my cock and took it all in her mouth and this impressed me greatly as i's a nice size and this can't always be done. Once we finished we slowly fucked each other on the bed, I'm not a fan of missionary so I had Kat sit on me, on the side of the bed and we spent 10 minutes slowly fucking so i could play with her tits and kiss whilst doing this. When i could no longer hold it i came inside her. Afterwards had a quick chat and more kissing before going on my way. Absolutely wonderful lady and would go back in a heart beat a definite gem at Annabella's.
