The Premises:

Basement flat reasonably close to Shepherds Bush and fit for purpose. Shared with another girl. A bit awkward as another punter exited the door just as I rang the doorbell on arrival. Nice warm room with a small en suite shower.

The Lady:

Photos are quite accurate. Short with sizeable tits with enormous rubbery nipples. If you are a nipple sucker then you will be in paradise

The Story:

Showered on arrival and then got down to business fairly quickly. Lots of oral including deep throat which really was very nice. Plenty of position changing - me on top, her on top, 69 etc. After about 10 minutes she asked if I was ready but I really wanted the oral to continue. Unfortunately after another 10 minutes I'm ready to blow and try to hold back. OK so that wasn't going to work so, to her credit, Rosy, deep throated me and took the lot which, I'm fairly sure, she swallowed. So she gets 10 out of 10 for that but unfortunately it meant I never got inside her pussy (I'm a one-shot man nowadays). I guess I'll have to make another booking. Note to self - rub one out the previous night next time so I can last a bit longer.

So, we're all done after 30 minutes and she proceeds to give me a fairly heavy massage. Time up - then a quick shower and out the door after exactly one hour.
