The Story:

Had a great time with Katrina, so different to girls who 'go through the motions'

Not sure how but we managed to cram a whole load of things into one hour without anything feeling rushed, the session just flowed.

Won't go into details but was a great GFE with lots of kissing, lots of oral both ways, some tie and tease and even a shared shower and lots of conversation.

She's a girl who knows her mind and has some amazing life experiences

Can't wait to see her again!

I don't bother with independents anymore as it's always a gamble. I have a great time at Annabella's every time, just wish i lived nearer!
