The Story:

I've seen Ruby several times now, previously I wanted to keep booking different girls as the experience is always different, the fact I keep going back to Ruby speaks volumes, and the more we get to know each other the Bette true sessions are.

We know what each other likes to do and the sessions fly by, I could happily spend the whole day with her.

Every session is different - no going through the motions, just genuine mutual pleasure and lots of great conversation

Can't wait to be with her again
