### The Story:

Limited for time, so booked the first hour slot possible, Faye did not disappoint. Entered the room whilst I was in the shower and greeted me with a big smile and a hug. Faye was really easy to talk to, luckily enough, liked my crap jokes. Conversation flowed throughout, which makes the whole experience a lot more enjoyable.

Her massage was really nice and paid attention to the areas that needed a rub, also let her hands run riot over me. We switched after 15 mins, and it was her turn for a massage. She really has an amazing body and it truly was a pleasure giving her a massage. She seemed to really enjoy herself, so all the more pleasurable for us both.

It was an amazing start to the year, and I can't wait for my return visit. She started off my year well, and I hope I did hers.

Highly recommend Faye xx
