The Premises:

The building is well used by working girls , room was very crowded with her stuff , bed uncomfortable , bathroom old and tired , no hot water

The Lady:

Lady is older than the pictures, has a bad boob job, did not move to the bathroom for a shared shower, no DFK , is very fast on the oral & painful, and no anal was offered even though agreed in the booking, and no rhythm of fucking kept on changing position, at the end lost interest, could not cum, even massage was very rough

The Story:

Bad booking from the start, no connection , should of left straight away
