### The Premises:

Betty is at a flat in a relatively grim looking building about an 8 minute walk from Edgware road station. I have seen Holly twice and Malee at this location. Once you are past the two doors its clean and fit for purpose inside.

### The Lady:

She is an attractive lady with a pretty face and good curves. For some reason a bit shorter than I imagined her. She has nice breasts and a good smile. Her best attribute is her fun nature and strong determination to please. She was the right fun kind of crazy to spent an hour of bed time with.

### The Story:

Was a very good punt with Betty. From minute one she was all over me with an aggressive blow job, after getting me hard we jumped straight into sex. I ended up enjoying her pussy so much that I came in bag with her riding me on Rd1. CIM is on the table I understand, this was my intention, but her pussy was too good!

In the intermission we listened to some music and she gave me a very good and long massage focused on my legs (i had been walking a lot in London so this helped).. at the right time she started up with OWO. Her pretty face made the OWO even more pleasant. We moved to doggy, then during doggy I asked for Anal where she was enthusiastic about giving me her ass. 2nd shot in the bag buried deep in her ass, then a quick shower and out the door.

Very satisfying - strongest attribute was her passion to please.
