The Premises:

Easy to find with plenty of parking, clean and shower facilities available.

The Lady:

Morgan is a stunning lady with her natural beauty who wears minimal make up which shows off her natural good looks.

Morgan has a lovely innocent smile and has curves in all the right places her figure is so sexy.

The Story:

Morgan walked into the room wearing some stunning lingerie which showed off her assets and curves perfectly, she gave me a big hug and kiss with her sexy smile on show.

After a brief chat and catch up Morgan began to tease my body all over in only the way she can and she is very very good at it. She is an amazing kisser and is very naughty behind her innocent smile.

Morgan's oral skills are amazing too loves to tease and takes her time and she loves to be teased to if you are respectful with her and gentle.

The session finished with Morgan on top and some missionary to end a great session.

Morgan is beautiful and would recommend.

See you soon
