The Premises:

Usual house next to car park. Had the ground floor bedroom with a screen which seems slightly too narrow for the window it's covering.

The Lady:

Attractive, lithe brunette of about 20 years of age. Just like her photos.

The Story:

Talia asked me what I'm into but when I replied "snogging and blowjobs" (which I assumed she'd be well up for after reading her profile plus previous reviews) Talia said that she doesn't do DFK or CIM any more.

Started off with a peck on the lips followed by nice deep OWO which soon had me on the verge of climax, so I checked that COB was okay and Talia knelt in front of the mirror where she deposited my load over her chest.

After cleaning up we spent the remainder of punt laying on the bed nattering, until maid knocked on the door.

An enchanting young lady but not sure I'd pay Talia another visit, as rather too vanilla a GFE without any DFK or CIM on offer.
