The Premises:

Bletchley plenty of free parking

After 10 visits to the same room got an upgrade to the top floor

Nice place nice maid good experience. Arriving

No just for Gia to arrive quite excited

All very clean and ship shape

The Lady:

Gia looks exactly like her Twitter photos

Until I saw her on Twitter I had discounted her but boy was I pleased when I met her in the flesh

Age late twenties early 30,s very beautiful but so full of charm

I was awe struck

She is a perfect small figure wearing a one piece sexy bodice

The Story:

I had been captivated by the story she puts out on Twitter to the point I felt I knew her

The day before we met her twitter said looking forward to seeing you tomorrow this gave me a warm glow and a semi 24 hours before meeting her

Got to the place and as I said a different room on the top deck and waited for Gia and in she walked kissed me asked e my name and gave me a big hug

I had the cash on the table for her but rather than pick it up she said the lighting on the bed needed re adjusting and went to sort it out she looked over her shoulder and then said get your clothes of I need to see more of you she walked around stood in front of me kissed me then my nipples and bent her knees to dip down for a blow job

What was really sexy was she did not reach for a wipe just naturally straight on

No fake deep throat but an incredible sensitive exploration with her lips and tongue on the head of my penis

I lifted her up on to the bed and returned the favor I think she did come as she said she was and I

said to soon and kissed her thighs so small and soft and could tell she was enjoying the delay

before moving back to her clit and slowly licking till she did come she pushed my head back and shook it was very sexy moment as as she looked me in the eye

Then she went down on me again liking and sucking my balls she liked so far down it was close to

been rimmed

She put the condom on with her mouth cloned on top and fucked me real hard

She then asked for doggy but put two pillows under her so when we collapsed her bum was pointing up she reached her arms above her head and said fuck me

I realized that she was now in the sub role which was very exciting she even let me hold her arms

That's most girls will not let you do

I had my orgasm and then we hugged an chatted and I told her I felt like a bit of a stalker following her on Twitter and her love of beauty and art

One day she will be famous and on the news and I can think to my self she shared her body with me

Magic time no rush and I think we ran over slightly
