The Story:

Was a little worried there were no reviews as I have a few specific likes

Reverse oral excellent she participated fully with all the right noises and she seems wired for sex pleasure

Finger play was allowed and rimming with caressing anus did not try to enter as every thing to me was perfect

After 30 mins of sheer pleasure she asked if she could return the favor

Good blow job owo but this is not my thing but felt nice No come in mouth

Then sex with her on top which was good as she really got off riding me then we swapped to mosh and then to side by side she really enjoyed that

I then decided to go back down on her which she really enjoyed

Then time was up to the minute so quickly got dressed and left

Had a great talk about the sex scene which really interested me

Really sexy talking to her about others while fucking her

She tickle all my boxes and will add her to my repeat's

Emily can teach me a lot look forward to my next lessons
