The Premises:

Great parlour simple doorway entrance off a parade of shops. Clean tidy and well appointed rooms, always a friendly welcome

The Lady:

Well if it could be plumped, tattooed, pierced, enhanced or dyed then it was. Adele is a real assault on the senses. Amazing Northern lass, not blue hair in the photo, not red hair in the description now black hair but might be blond the next time!

The Story:

Wow she is amazing, very chatty but keen to please and be pleased. I smiled at her neat box of tricks, condoms nicely lined up along with lube etc. in a little carry case! Full on from start to finish always felt comfortable and the centre of her attention.

Certainly won't forget that encounter in a long time
