The Premises:

Nice location in Fenny Stratford, with ample free parking right out front.

The Lady:

This was my first time seeing Eve, and I have to say she is absolutely stunning. Very pretty face with a beautiful smile. She has a lovely body, especially her enhanced boobs! Her pictures do not do her justice, she's an absolute rocket!

The Story:

I was shown to the room by the maid and had a shower as I waited for Eve to arrive, as soon as Eve arrived we had a brief conversation about likes and dislikes and then she removed her uniform and I got to see her stunning body.

Eve is very confident and is definitely a conversationalist, we spent the majority of the session talking and laughing as Eve massaged me.

Eve was happy to do everything which I asked (within the rules of Ego of course). She spent the majority of the hour massaging and teasing me, paying a lot of attention to my throbbing cock and making sure I didn't blow too soon.

I even had the opportunity to massage Eve, which she definitely enjoyed as did I.

When it was time for the finish, Eve slowly massaged my cock until I had the most intense orgasm and blow my load all my chest!

I have been coming to Ego for a number of years, and I've had some great experiences with Rachel, Jamie and Yasmin, however this session with Eve was by far the best and I can safely say Eve is the only girl I will be seeing in the future.

Eve is such a welcome addition to the Ego Team, she is a stunning girl and is very enthusiastic in everything she does: I can wait to see her again for round 2.
