The Premises:

Usual HoD place in Victoria, basement flat. I have been many times there, and the place is safe, clean, and discreet.

The Lady:

Rebecca has a body to die for! Big bum, thick thighs, flat stomach, firm DD boobs, bikini tan lines. Wow! Probably some fine artist has sculpted her body to perfection. Kim Kardashian would be jealous!

She has also a pretty face, long dark silky hair, and above all a great smile! She is a tall Brazilian babe, 5'7 (without heels). She would probably put Copacabana beach on fire!

The Story:

Rebecca opened the door and greeted me with a nice smile wearing a robe that hide her body. Once in the room, she opened the robe and I was immediately hard looking at this body! She wasted no time and started kissing passionately while I am still with my clothes. This got me in the mood further, and I started to touch that incredible body. I then undressed and we continued on the bed her on top kissing until I was about to explode.

I slowed down and asked for OW (my choice). But it didn't take really long until I came hard in the bag! That's probably within 15minutes. We still had plenty of time, so she offered a massage, during which we kept chatting and laughing, as well as kissing, touching her body and caressing her beautiful hair. Rebecca is a lovely girl, always smiling, full of energy and really eager to please. I had the feeling I was at a Brazilian beach party!

Still starring at her body, the inevitable happened and I became hard again. She took notice and tried to get me to the finish line again. It is quite difficult at my age and within 45 minutes, but to her credit she gave it her best effort.

It was finally time. We kissed and cuddled, and I promised to meet again. I left a happy man, I was in heaven with Rebecca!
