The Premises:

Well reviewed venue just outside Central MK, plenty of parking available nearby.

The Lady:

Young, busty and beautiful, Kat was attentive and had dressed as requested prior to our booking looking sensational and leaving me hot under the collar.

The Story:

A gentleman never kisses and tells all, what I will say though is Kat is a great kisser and loves a DFK with sensual teasing with her fingers and lips.

She had a phenomenal technique with her hand on my balls whilst we went through the motions of a mischievous hour before I finished all over her beautiful breasts.

Kat is a lovely young lady, treat her right and she'll treat you even better!
