The Story:

A gentleman never kisses and tells all of what happened together, what I will say though is Ruby's DFK is next level and left me very excited before she gave me the most phenomenal blow job I've had in years and left every inch twitching as I remembered her technique and tongue movements that evening and the following days.

A warm, passionate lady who looks sheer elegance and class on the streets but is such a sexy teaser and pleaser in the bedroom.

I left with the biggest smile on my face which she commented on as we chatted at the end and it was an amazing session!
