The Premises:

The flat was nice and clean I loved the whole set up and the mirrors and the music that was playing made feel relaxed.

The Lady:

She is so beautiful she had a very comforting voice she is jist beautiful and so polite. She is tall 5ft10 she is a Britain's next top model.

The Story:

I rang the bell and this beautiful tall model opened the door for me. She led me to a nice room and she said I will be right back. She came back 2 mins later and she was wearing her heels and she looked like she was 6ft3 with the heels on ????????. We started touching each other I liked her breast because they look so good she the condom on me and gave me some nice head she said look at the mirror and enjoy. We did doggy, and other different positions and I couldn't help it and I finished on her beautiful breast. She was nice and her voice was so soft and I felt at home I enjoyed the experience.
