Upstairs flat in Pimlico/Victoria. A real home from home by now!

The Lady:

Elizabeth is a statuesque, shapely, long and dark haired beauty with sparkling eyes and a lovely come hither smile. Her boobs are natural (thank goodness), shapely and suckable. I generally prefer petite girls but I'll certainly make exceptions for the likes of Elizabeth. Wow!

The Story:

Elizabeth entered the room and seemed to tower over me when we initially hugged, however that was down to her high heels and, when they were kicked off, I had the height advantage by a few centimetres. We were soon kissing nice and passionately, plenty of lip sucking and tongue which I certainly enjoy. I kind of thought, is Elizabeth a bit of a man eater? Right, game on, I'll show her I'm a match for that which set the stage for a wholly erotic and passionate encounter. My goodness, did we have fun. When it was my turn to go on top I had Elizabeth wetter than a week in Salford while, when she took charge, she sucked and fucked me like there was no tomorrow. I ended with a cim, which I often do, and then we had a lovely chat about this and that, which I also often do. I do feel we really clicked and if Elizabeth is adept at making all her clients feel that, good on her. Mind you, she did admit that she wouldn't kiss all her clients so enthusiastically and added that a lot of men she's seen, younger than me, are not so appealing as they've let themselves go. It's obvious to me, if you want to get the best out of these encounters of course you need to be clean, presentable and a nice guy. It's the least these sweeties deserve.
