The Premises:

Casual apartment in Queensway. Good facilities, discreet next to a construction site at the time.

The Lady:

Young blond teen girl from eastern europe with 34C fake tits but very firm and looks good on her skinny body. About 170 cm. Looks like the pictures on the site.

The Story:

I had a good time with this petite and skinny blond teen girl. Very tight pussy and nice tits. Fucked her in different positions. She felt a little stressed at the time so it was not really 10/10 but good if you just want some good company.
