The Premises:

Upstairs flat. Laura opened the door. The maid didn't appear to be doing much. Gia & Gabriela were milling around. Gia, in white lingerie, although slim looked big boned for my liking and Gabriela, dressed in a towel has been added to my HL for another go. I saw her in 2016 or something.

The Lady:

For some reason Laura and I started off in the kitchen making small talk while the room became available which was an interesting spin cos I imagined I was in the office kitchen with a colleague chewing the fat and then minutes later she was chewing my fat.

If Laura was an AW girl I would have walked cos she's very plain looking Laura was dressed in a blouse and frilly dress. She has put on some weight since I last saw her and her face is too reddened by acne for my liking but I wanted to come in someone's mouth and Laura didn't disappoint.

The Story:

Laura finished by swallowing my cum which was preceded by some enthusiastic DFK, 69 and penetration doggy style.

My experience with Laura felt more like a FWB rather than a GFE and felt good. I will visit again if I fancy having my cock sucked to completion.
