The Premises:

I'd been before a few years ago, but the premises have moved but only a few minutes walk away, parked in the same place and new place is just as pleasant, did find the room a bit dark though.

The Lady:

Saw Gia four years ago, I didn't recognise her initially as she has a completely different look, but I think she looks even better now than before; she has straight black hair, almost a bob cut, quite tall, lovely skin (Puerto Rican origin), small but sensitive tits, lovely bum.

The Story:

Felt good to be back, opted for the 30 mins as I need to take a tablet these days to get the old chap up to speed and had forgotten it, but there is still plenty to do in the time, particularly as Gia's pussy tastes so good. After a back massage to relax me - I always seem to arrive at these places rushed and stressed - I gave Gia's nipples a good sucking, before my favourite, a good old time tasting her pussy which she seemed to enjoy as much as I did.

I didn't hold out much hope that my dick would be up to much, but having Gia licking and sucking it whilst maintaining eye contact was amazing, so much so that it seemed that he might make good after all, so we tried with Gia on top and it worked for a while, but as expected it didn't last and down he went, the old softie. So we finished off with Gia giving me a hand job whilst I rubbed her pussy (she doesn't offer 69).

A great girl, if only I had that tablet (and lived in the area!). Hope it won't be another four years though...
