### The Premises:

Flat was really very small, but big enough for our purposes. Equidistant between Earls Court and Gloucester Road station. Easy to find and access, and relatively private considering the time of day.

### The Lady:

Ella is the girl in the pictures. Her hair is slightly lighter in person, she is nicely slim, with enhanced boobs (still quite small). She has a lovely smile and beautiful eyes. She's not very talkative, but she does speak Excellent English. She's from Belarus, but has spent quite a lot of time in the UK.

### The Story:

Ella greeted me in a very cute mini dress, showing off her lovely long legs. After my shower I returned to find her in matching red panties and bra. She took these off, I dropped my towel and we embraced. It was very nice, although she seemed a little reserved and shy at first. Enjoyed kissing, but she's not very passionate in this department. Her oral skills are really very good, quite gentle and wet. Sex was enjoyed in a couple of positions, the best being doggy with me standing up and her bent over the bed. I finished here with her turning around for me to cum over her cute little tits. A worthwhile punt, but not one I would repeat when there are so many girls to choose from. She is a lovely girl though
