The Premises:

Ground floor flat on a quite residential street about 2-3 minutes walk from Shepard's Bush tube station. The bedroom was a good size, clean and with an ensuite bathroom room. The bathroom consisted of a shower cubicle which could fit two people in it, and the shower was clean, with decent water pressure and plenty of hot water.

The Lady:

Layla is a good looking Thai lady, with a nice figure, flat belly, nice sized enhanced breasts that were soft to the touch (and not rock hard - but a little scarring under the boobs). The pictures on the website of Layla are accurate and recent, and I would say Layla is in her mid twenties.

The Story:

I had just seen another lady from Olina's during the day and was still feeling horny. So I contacted Olina agency to see who would be available in an hour after I finished with the previous lady. The service from Olina was very prompt and professional and they recommended Layla. So I booked Layla and within 60 minutes I was at Layla's flat.

So Layla greeted me wearing a black slip (the booking was very short notice so I was not expecting nor did I request that Layla wear anything specific). I handed over the paper work and Layla asked if I wanted a shower, which I accepted (as it was the decent thing to do since I had just seen another lady an hour before).

After the shower, Layla approached me and proceeded to give me lots a sensual kissing and fondling (like a long lost lover) and this got me rock hard. After about 10 mins of kissing and fondling, Layla knelt down and gave me an exquisite BJ for several minutes. Then I suggested we go on the bed and I performed RO on her, although so told me her clitoris is very sensitive and asked that it be licked very gently and lightly, which I was happy to oblige. After performing lots of RO on Layla we decided to have sex in lots of various positions, CG, mish and doggy. After Layla climaxed we took a break for a few minutes to catch our breath and then Layla announced it was her turn to make me cum and proceeded to give me another exquisite BJ and also paying a lot of attention of lightly kissing and licking my balls, and perineum (which I liked a lot). Eventually I popped my load. Layla cleaned me up with the usual wet wipes. Since our first session took so long

for me to cum, we did not have time for a second round, so we had a nice chat and a kiss, and a cuddle for about 10 mins. Then back in the shower, followed by a nice gentle good bye kiss before heading off home.

My thanks to Olina for recommending Layla, she is such a nice sweet lady and I look forward to seeing Layla again soon.
