The Lady:

The pictures on the website give a good indication of how Mixy looks, and even though her face is blurred out, you should be able to get a sense of her delicate features and great smile. In reality, I thought Mixy was gorgeous from every angle: beautifully proportioned, lovely firm, flawless skin and graceful in her movements. Totally fresh and clean as well.

The Story:

Arrived a few minutes early for a shower (HoD - please fix the shower attachment). Mixy appeared on time, having made a pretty decent effort on the requested clothing. I'm a nervous type, but Mixy was kind, gentle, and naughty (if i can put it in an old-fashioned way) in equal proportions. She didn't quite take charge, but steered me along just enough to make sure I had the best time possible with her. Nothing from her repertoire that I asked for was refused. The only observation I'd make was that the DFK was more on the light side - nevertheless, very erotic and a tremendous turn-on. I've reached the age where I am more often than not a one-shot kinda guy, even over an hour and a half, so it's to Mixy's great credit that she was able to coax three (we joked about it being two and a half, with the half one nearer the start of our encounter) climaxes out of me: CIM and lastly (as I like it) by hand. I felt extremely pleasantly wrung-out afterwards.

I think Mixy is a really sexy, beautiful lady; she's great company and evidently good with the more nervous type of punter, and I'd love to see her again.
