The Premises:

Modern flat in The Hub.

The Lady:

Both ladies looked magnificent, the epitome of sex on legs with bums that are too die for. I could have worshiped at the temple of buttocks for a long time.

The Story:

This was an impulsive booking, taking advantage of Annabella's voucher offer, which took £20 off any FFM appointment.

I'd been looking to see Bunny for a couple of years due to her website photos and great reviews but never got around to it. Jess was working with Bunny on the day so they were the duo on offer. Jess hadn't appeared on my radar as DFK isn't listed on her 'likes', which is a must for any appointment for me.

If I could sum up the experience in one word it would be 'fun'. From the minute both ladies entered the room, it was all smiles and they both came across as genuinely enjoying working together and both were lovely to spend half an hour together.

The time passed much too quickly and I will have to make another longer booking to take advantage of these two sexy women.

As for DFK, both girls were full on, which was a pleasant surprise (just make sure you have good hygiene gents).

Could not recommend these two girls highly enough (either individually or as a package). They are the real deal.
